What does the Life Insurance Code of Practice cover?

The Code sets out the life insurance industry's key commitments and obligations. It covers many aspects of your relationship with GFS and Hannover, from buying insurance to making a claim, to providing options if you experience financial hardship or require additional support.

Key Code Promises

- we will monitor sales to ensure they are completed appropriately.
- if an inappropriate sale occurs, we will discuss with you how this can be remedied.
- additional support is available if you have difficulty with buying insurance or making a claim.
- when you make a claim, we will explain the process to you and keep you informed on the progress of your claim.
- a decision on your claim will be made within the Code timeframes, and if in exceptional circumstances we cannot meet these timeframes, you will have access to our complaints process.
- if we deny your claim, we will explain the reasons in writing and let you know the next steps if you disagree with our decision.
- we will restrict the use of investigators and surveillance, to ensure your legitimate right to privacy.
- the independent Life Code Compliance Committee will monitor our compliance with the Code.
- if we do not correct the Code breaches, sanctions can be imposed on us.

You can get a copy of the Code and a full list of insurance companies that are covered by the Code, on the Financial Services Council website at fsc.org.au

Both Australian Seniors and GFS have consented to being named in this PDS in the way shown and have not withdrawn their consent before the date of this PDS.

From time to time, Seniors Funeral Insurance Essential Cover may be updated. Updates which are not materially adverse to you may be found on the Australian Seniors website at seniors.com.au. If you request a paper copy, this will be provided to you free of charge.

In this PDS, some words or expressions have special meaning. They normally begin with capital letters and their meaning is explained in the 'Glossary' on page 21 of this PDS.

In this PDS, references to "we", "us" and "our" mean Hannover Life Re of Australasia Ltd.

Applying for a Policy

After considering this PDS, you can apply for a Seniors Funeral Insurance Essential Cover policy by calling **1800 004 005** (Monday to Friday between 8am and 8pm AEST). You can apply for a single plan on your own life, or you can apply for a joint plan to include your spouse, partner or de facto (Partner Life Insured). As long as you, and your partner under a joint plan, are an Australian Resident aged between 18 and 79, we guarantee to accept your application.

Policy Terms

If your application is accepted, we will issue you a Policy comprising a booklet setting out the terms and conditions applying and a Policy Schedule with details relevant to your benefits and those of your Partner Life Insured under a joint plan.

This PDS is a general description of the benefits provided under a Seniors Funeral Insurance Essential Cover policy – you need to refer to your Policy booklet and Schedule for full details of how your insurance will operate. For convenience a copy of the Policy booklet is included in this document pack from page 12.

The benefits of Seniors Funeral Insurance Essential Cover

Death from any cause – a Funeral Insurance Benefit Amount is payable if you, or your partner under a joint plan, die from any cause at least 12 months after the day cover starts;

or

Death due to an Accident – an Accidental Death Benefit Amount, and the Funeral Insurance Benefit Amount, is payable if you, or your partner under a joint plan, die as the direct result of an Accident within 90 days of the Accident.

While the lump sum Benefit Amount is designed to assist with the cost of your funeral and other final expenses, the benefit may be used for any purpose. This insurance does not provide any funeral, burial or cremation services. You can nominate beneficiaries to receive payment of the benefit payable on your death. How to make a nomination is explained in the information we send you with your Policy.

Accidental Serious Injury Insurance –

An Accidental Serious Injury Benefit Amount is payable if you, or your partner under a joint plan, suffer one of the following conditions as the direct result of an Accident within 12 months of the Accident and before the Policy Anniversary following the Life Insured's 75th birthday:

- Blindness;
- Deafness;
- Diplegia;
- Hemiplegia;
- Paraplegia;
- Quadriplegia/Tetraplegia;
- Total and Permanent Loss of Use of Two Limbs.

The condition must be diagnosed by a Medical Practitioner within 12 months of the Accident and confirmed by our medical advisers. The benefit is only payable once for a Life Insured and is not payable if the condition is directly or indirectly the result of any one of the following:

- an intentional self-inflicted bodily injury;
- suicide or attempted suicide;
- engaging in any professional sport;
- war (whether declared or not) or war-like activity;
- being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft;

- engaging in any criminal activities or illegal acts;
- the consumption of drugs;
- engaging in any motorsports as a rider, driver and/or passenger;
- taking part in a riot or civil commotion;
- the consumption of intoxicating liquor including driving with an alcohol level above the prescribed limit.

Definition of “Accident”

Where a benefit is payable due to death or serious injury as the direct result of an Accident, “Accident” means an event resulting in bodily injury occurring while your Policy is in force where the injury is directly and solely caused by accidental, violent, external and visible means, without any other contributing causes, and the injury is not self-inflicted.

Benefit Amount

You can apply for a Funeral Insurance Benefit Amount from \$3,000 to \$15,000. The Accidental Death Benefit Amount is two times the Funeral Insurance Benefit Amount (maximum of \$30,000). If you die as a result of an Accident and you are eligible to claim, both the Accidental Death Benefit Amount and the Funeral Insurance Benefit Amount is payable. For example, if you chose a \$15,000 Funeral Insurance Benefit Amount, a benefit of \$45,000 is payable – a \$30,000 Accidental Death Benefit Amount plus a \$15,000 Funeral Insurance Benefit Amount.

The Accidental Serious Injury Benefit Amount is three times the Funeral Insurance Benefit Amount (maximum of \$45,000).

If you, or your partner, are covered under more than one Seniors Funeral Insurance Essential Cover policy, the maximum Benefit Amount applies to the total payable for the Life Insured under all such policies.

Funeral Insurance Benefit Guarantee

The amount payable for a Life Insured under the Funeral Insurance Benefit Amount is the greater of the Funeral Insurance Benefit Amount (plus the Accidental Death Benefit Amount, if applicable), or 80% of the total premiums paid for the Funeral Insurance Benefit Amount under the Policy for the Life Insured under the Policy.

The total benefit payable for a Life Insured under the Accidental Serious Injury benefit will be three times the Funeral Insurance Benefit Amount.

24/7 Protection

You, and your partner under a joint plan, are protected 24 hours a day, 7 days a week, worldwide while your Policy is in force.

Early Cash Back Option

At any time after you (and/or your partner under a joint plan) reach 85 years of age, you may elect to end your cover (and/or your partner’s cover under a joint plan) and we will pay you an amount equal to the relevant Life Insured’s Funeral Insurance Benefit Amount.

If you terminate your cover under this option, but not your partner’s cover if you have a joint plan, your Policy will end, but we can issue a new policy to your partner if your partner wants to continue his or her cover (and any Children’s Insurance cover).

Children's Insurance Option

If you (and/or the Partner Life Insured) are a parent or legal guardian of a child, you can apply to add Children's Insurance to your Seniors Funeral Insurance Essential Cover policy.

Your child must be an Australian Resident aged between 2 and 17 years of age.

The Children's Insurance benefit is \$10,000 for each Child Insured and is payable once only per child in any one of the following circumstances occurring before the Policy Anniversary following the child's 21st birthday:

Death from any cause – should the Child Insured die from any cause, or be diagnosed with a Terminal Illness, at least three months after the day cover starts providing we have paid no Children's Insurance Benefit Amount in relation to a serious injury or illness for that Child Insured.

Death due to an accident – should the Child Insured die as the direct result of an Accident within 90 days of the Accident. (Please refer to the definition of "Accident" on page 8).

Serious injury or illness – should the Child Insured suffer one of the following conditions:

- Blindness;
- Deafness;
- Encephalitis;
- Major Head Trauma;
- Meningitis;
- Paralysis;
- Total and Permanent Loss of Use of One Limb;
- Benign Tumour of the Brain or of the Spinal Cord;
- Cancer;
- Severe Burns;
- Chronic Kidney Failure;
- Major Organ Transplant.

The condition must be diagnosed by a Medical Practitioner and confirmed by our medical advisers. The benefit is not payable if the condition is directly or indirectly the result of any one of the following:

- a Congenital Condition;
- the intentional act of the owner of the Policy, or other person who would otherwise be entitled to all or part of the benefit;
- an injury which occurs, or an illness which becomes apparent, before the insurance for the child starts, or during the first three months after the insurance starts.

We will not pay for a Children's Insurance Benefit Amount if the Child Insured dies or is diagnosed with a Terminal Illness which becomes apparent before or during the first three months after the Children's Insurance starts or, if reinstated, the reinstatement date.

If a child is covered under more than one Seniors Funeral Insurance Essential Cover policy, the benefit is only payable once under the oldest Policy.

Cost of Seniors Funeral Insurance Essential Cover

Premiums are the cost of your insurance. Your premium is calculated based on the age of each Life Insured (you under a single plan and both you and your partner under a joint plan) when your Policy starts.

If you include the Children's Insurance option, the cost of this insurance is added to the premium payable.

For a premium quote, or for more information on the cost of Seniors Funeral Insurance Essential Cover, please call **1800 004 005** (Monday to Friday between 8am and 8pm AEST) or visit seniors.com.au

You can pay the premium by automatic debit from your bank, credit union or building society account, or by credit card.

Provided the cover remains unchanged, your premium is guaranteed never to increase and will reduce by 5% after each continuous period of five years your Policy is in force.

General Information

Your 30 day money back guarantee

You have 30 days from the Commencement Date, or the date any optional benefit starts, to make sure you are happy with the Policy and decide whether you want to keep the Policy, or the Children's Insurance option, if included. This is known as the "cooling-off" period. If you want to cancel your Policy, or the Children's Insurance option (if included) within this 30 day period you may do so provided you have not made a claim under your Policy. The Policy booklet explains how to exercise your cooling-off cancellation.

Insurance risks

In considering whether to acquire Seniors Funeral Insurance Essential Cover, there are a number of insurance risks you should be aware of, including:

- you need to select the insurance product and apply for the appropriate level of cover for your needs. If you do not have enough cover it might cause you or your family to suffer financial hardship even after receiving the benefit payment;
- if you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change;
- over time your circumstances may change and you may find that you are less able to afford to pay the premium; and

- Seniors Funeral Insurance Essential Cover is designed purely for protection. This means that, unless the Early Cash Back Option applies (see page 8), if you cancel your Policy (after the 30 day cooling-off period), or we cancel your Policy, you will not receive anything back.

Please be aware that we can cancel your Policy if you do not pay the premiums when due, or if you are on a temporary work visa and you cease to reside in Australia.

Risks associated with taking up the Early Cash Back Option

You have the option to take up the Early Cash Back Option when you (or your partner under a joint plan) reach age 85 – see the Early Cash Back Option section on page 8.

Before you elect to take the **Early Cash Back Option** (this option is available after you (and/or the Partner Life Insured under a joint plan) reach age 85), you should consider the benefits otherwise available under your Policy at that time and the risks that may apply in making this decision, including:

- the amount available on death will often exceed 100% of the Funeral Insurance Benefit Amount at the time you make your selection. Please call **1800 004 005** (Monday to Friday between 8am and 8pm AEST);
- any premiums you have paid after your 85th birthday will not be refundable if you subsequently elect to take up this offer; and
- unless you have a joint plan and a Partner Life Insured to whom we can issue a new policy, cover for any Child Insured under this Policy will end because your Policy will terminate.

Tax

In most cases your premium will not be tax deductible and tax will not be payable on any benefit paid under your Policy.

This information is based on continuance of present tax laws and our interpretation of those laws. Your individual situation may differ and you should seek qualified professional advice in relation to your particular circumstances.

Questions or complaints

We hope that you never have reason to complain, but if you do we will do our best to work with you to resolve it. You can contact us by phone – **1800 004 005** (Monday to Friday between 8am and 8pm AEST) or by writing to us:

The Policy Schedule which is issued with this booklet will be updated when the details of your cover change, with the new Schedule replacing the previous Schedule. Please keep these documents in a safe place.

In this booklet:

- Hannover is referred to as “we”, “our” or “us”;
- “you” or “your” refers to the owner of this Policy;
- some words or expressions have a special meaning – they normally begin with capital letters and their meaning is explained in the Glossary on page 21 of this booklet.

Seniors Funeral Insurance Essential Cover is distributed and promoted by Australian Seniors Insurance Agency (**Australian Seniors**) a trading name of Greenstone Financial Services Pty Ltd (**GFS**) ABN 53 128 692 884, Australian Financial Services Licence 343079, of 58 Norwest Blvd, Norwest NSW 2153.

This Policy is not guaranteed by Australian Seniors or GFS, nor are they responsible for the assessment of claims and the payment of benefits under the Policy. The assessment and payment of claims for benefits is the responsibility of the insurer, Hannover.

Your Insurance Policy

If your application is accepted by us, we will issue you a Policy Schedule. Your Insurance Policy consists of the Policy Schedule and:

- this Policy Booklet (which includes the terms and conditions applying under your Policy);
- the application/s; and
- any special conditions, amendments or endorsements we issue to you.

Please keep these documents in a safe place for future reference. Any benefits, rights or obligations under this Policy cannot be assigned without obtaining Hannover's written permission beforehand. The Insurance provided under this Policy is written out of the Hannover Australian statutory fund.

Single or Joint Plan

When you applied for this Policy, you nominated whether you sought a single plan on your own life, or a joint plan so your spouse, partner or de facto is also covered as a Partner Life Insured, as indicated in the Policy Schedule.

To be accepted for cover under this Policy, each Life Insured must be an Australian Resident and between 18 and 79 years of age.

Seniors Funeral Insurance Essential Cover Benefits

We will pay the benefits explained below, as long as the Policy is in force for the Life Insured at the date of the insured event, except in circumstances set out in the **What is not covered under your Policy** section on page 14. The Benefit Amount for each Life Insured is shown in the Policy Schedule and cannot be changed.

Death from any cause

We will pay the Funeral Insurance Benefit Amount if a Life Insured dies from any cause, where death occurs at least 12 months after the Acceptance Date or, if the Policy is reinstated, 12 months after the date of reinstatement of this Policy;

or

Death due to an Accident

We will pay the Accidental Death Benefit Amount and the Funeral Insurance Benefit Amount if a Life Insured suffers Accidental Death on or after the Acceptance Date.

Accidental Serious Injury Benefit

We will pay the Accidental Serious Injury Benefit Amount as a lump sum in the case of:

- Blindness; or
- Deafness; or
- Diplegia; or
- Hemiplegia; or
- Paraplegia; or
- Quadriplegia/Tetraplegia; or
- Total and Permanent Loss of Use of Two Limbs,

occurring to the Life Insured as the direct result of an Accident, where the injury occurs within 12 months of the Accident.

The Accidental Serious Injury must occur while your Policy is in force and before the Policy Anniversary following the Life Insured's 75th birthday. It must be diagnosed by a Medical Practitioner within 12 months of the Accident and must be confirmed by our medical advisers.

Benefit Limits

Subject to the guarantee explained below, the following benefit limits apply to each Life Insured:

- Funeral Insurance Benefit Amount – \$15,000.
- Accidental Death Benefit Amount – \$30,000.
- Accidental Serious Injury Benefit Amount – \$45,000.

If the Life Insured is covered under more than one Seniors Funeral Insurance Essential Cover policy, we will apply these limits to the total of the Benefit Amounts payable for the Life Insured under all Seniors Funeral Insurance Essential Cover policies.

Any reduction in Benefit Amounts will be applied to the Seniors Funeral Insurance Essential Cover policies most recently commenced and we will refund the premiums paid referable to the reduced benefits.

Only one Accidental Serious Injury Insurance Benefit Amount is payable per Life Insured. A successful claim under the Accidental Serious Injury Benefit will not reduce the Funeral Insurance Benefit Amount.

Guarantee – We guarantee that the benefit we pay on the Life Insured's death will be the higher of the Funeral Insurance Benefit Amount (plus Accidental Death Benefit Amount, if applicable) or 80% of the total premiums paid for the Life Insured, if the Policy is in force when the Life Insured dies.

What is not covered under your Policy

During the first 12 months after the Acceptance Date for a Life Insured, a Funeral Insurance Benefit Amount will only be paid if the Life Insured suffers Accidental Death. This means that no benefit is payable if the Life Insured dies as a result of any other cause during this limitation period. The same limitation applies for 12 months after the date the Policy is reinstated.

We will not pay an Accidental Serious Injury Insurance Benefit Amount in respect of a Life Insured if the Life Insured suffers Quadriplegia/ Tetraplegia, Paraplegia, Hemiplegia, Diplegia, Blindness, Deafness, or Total and Permanent Loss of Use of Two Limbs directly or indirectly as a result of:

- an intentional self-inflicted bodily injury; or
- engaging in any criminal activities or illegal acts; or
- suicide or attempted suicide; or
- the consumption of drugs (unless it was under the direction of a Medical Practitioner and not in connection with treatment for substance abuse, drug addiction or dependence); or
- the consumption of intoxicating liquor, including having a blood alcohol content over the prescribed legal limit whilst driving; or

- engaging in any professional sport (meaning the Life Insured's livelihood is substantially dependent on income received as a result of playing sport); or
- engaging in any motor sports as a rider, driver and/or passenger; or
- war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft.

What we will pay you under your Seniors Funeral Insurance Essential Cover

The amount payable for a Life Insured under the Funeral Insurance Benefit Amount is the greater of the Funeral Insurance Benefit Amount (plus the Accidental Death Benefit Amount, if applicable), or 80% of the total premiums paid for the Funeral Insurance Benefit Amount under the Policy for the Life Insured under the Policy.

The total benefit payable for a Life Insured under the Accidental Serious Injury Benefit Amount will be three times the Funeral Insurance Benefit Amount.

When can you elect to terminate your cover and receive the Early Cash Back Option?

At any time after your (or if applicable, the Partner Life Insured) 85th birthday, you can elect to terminate your cover (or the cover of a Partner Life Insured) by notifying us. Please phone **1800 004 005** (Monday to Friday between 8am and 8pm AEST) or write to Australian Seniors Insurance Agency, PO Box 6728 Baulkham Hills NSW 2153. We will pay you an amount equal to the relevant Life Insured's Funeral Insurance Benefit Amount.

The Life Insured's cover will then end and, in the case of the Key Life Insured, the Policy will end. If there is a Partner Life Insured when the Policy ends, then cover for the Partner Life Insured (and any Child Insured) can continue under a new policy – see the **When cover starts and ends** section on this page.

IMPORTANT INFORMATION:

Before you elect to terminate your cover, (or the cover of a Partner Life Insured) under the Early Cash Back Option, you should call Australian Seniors on **1800 004 005** (Monday to Friday between 8am and 8pm AEST) to find out what the amount payable on your death (or on the death of the Partner Life Insured) under the Policy is at that time, as it will often be greater than 100% of the Funeral Insurance Benefit Amount.

When considering this decision, it is also important to note the following risks which will apply when you elect to terminate your cover:

- any premiums you have paid after your 85th birthday will not be refundable if you subsequently elect to take up this offer; and
- unless you have a joint plan and a Partner Life Insured to whom we can issue a new policy, cover for any Child Insured under this Policy will end because your Policy will terminate.

You can then consider what is the best decision for you.

When cover starts and ends

Cover for a Life Insured, or Partner Life Insured (if applicable) starts on the Acceptance Date and your first premium is deducted from the Commencement Date.

Cover for a Life Insured ends on the earliest of: the date of the Life Insured's death, the date you terminate the cover, or the date you elect to take up the Early Cash Back Option for the Key Life Insured, or Partner Life Insured (if applicable).

Cover also ends if you cancel the Policy, or on the date that the Policy is cancelled by us. We will cancel your Policy if you do not pay the premiums when due, or if you are on a temporary work visa and cease to reside in Australia.

As long as the Policy is in force, Accidental Serious Injury Benefit ends for a Life Insured when the first of the following occurs:

- the date you elect to terminate the Life Insured's Funeral Benefit Amount; or
- the date of payment of an Accidental Serious Injury Benefit Amount for the Life Insured; or
- the Policy Anniversary following the Life Insured's 75th birthday.

Where the Policy ends solely as a result of the Key Life Insured's cover ending, if there is a Partner Life Insured who wishes to retain cover, the Benefit Amount for the Partner Life Insured, and any Child Insured under this Policy, can continue (provided we receive payment of the first premium) under a new policy.

The new policy will be issued to the Partner Life Insured in his or her name as the owner, and it will be issued under the same terms as this Policy and takes effect subject to payment of the first premium.

All premiums paid for the Partner Life Insured under this Policy will be carried over to the new policy issued to the Partner Life Insured when they become owner of the new policy.

Children's Insurance Option

If you (and/or the Partner Life Insured) are a parent or legal guardian of a child aged between 2 and 17 years of age who is an Australian Resident, you can apply for Children's Insurance cover for the child. If you have Children's Insurance, each Child Insured is shown in the Policy Schedule.

The Children's Insurance Benefit Amount is \$10,000 for each Child Insured. Only one Children's Insurance Benefit Amount is payable per Child Insured, on the first covered event to occur before the Children's Insurance ends for that child.

We will pay a Children's Insurance Benefit Amount if a covered event occurs to a Child Insured while the Policy is in force, except in circumstances set out within the **What is not covered under your Children's Insurance** section on this page.

The covered events are:

Death from any cause – We will pay the Children's Insurance Benefit Amount as a lump sum in the case of death from any cause, or diagnosis of a Terminal Illness, of the Child Insured at least three months after the day cover starts, providing we have paid no Children's Insurance Benefit Amount in relation to a serious injury or illness for that Child Insured.

Accidental Death – We will pay the Children's Insurance Benefit Amount as a lump sum in the case of Accidental Death of the Child Insured while covered under the Policy, providing we have paid no Children's Insurance Benefit Amount in relation to a serious injury or illness for that Child Insured.

Serious injury or illness – We will pay the Children's Insurance Benefit Amount as a lump sum in the event the Child Insured suffers Blindness, Deafness, Total and Permanent Loss of Use of One Limb, Encephalitis, Major Head Trauma, Meningitis, Paralysis, Benign Tumour of the Brain or of the Spinal Cord, Cancer,

Severe Burns, Chronic Kidney Failure or Major Organ Transplant while covered under the Policy. The condition must be diagnosed by a Medical Practitioner and confirmed by our medical advisers.

Limit

Only one Children's Insurance Benefit Amount of \$10,000 is payable per Child Insured under all Seniors Funeral Insurance Essential Cover policies. If a Child Insured is covered for Children's Insurance under more than one Seniors Funeral Insurance Essential Cover Policy, we will only pay the \$10,000 Benefit Amount on acceptance of the claim under the oldest cover and will refund the premiums paid referable to the Children's Insurance for that Child Insured under all other Seniors Funeral Insurance Essential Cover policies.

Cost of your Children's Insurance

The premium you are required to pay for this option for each Child Insured is shown in your Policy Schedule. The premium must be paid in Australian currency.

Guarantee – We guarantee that the premium you pay for each Child Insured:

- will never increase after the Commencement Date; and
- will reduce by 5% after each continuous period of five years your Policy is in force.

What is not covered under your Children's Insurance

We will not pay a Children's Insurance Benefit Amount if the Child Insured suffers Blindness, Deafness, Total and Permanent Loss of Use of One Limb, Encephalitis, Major Head Trauma, Meningitis, Paralysis, Benign Tumour of the Brain or of the Spinal Cord, Cancer, Severe Burns, Chronic Kidney Failure or Major Organ Transplant as a result of:

- a Congenital Condition; or
- the intentional act of the Policyowner or person who will otherwise be entitled to all or part of the Benefit Amount; or

- an injury which occurs, or an illness which becomes apparent, before the Children's Insurance for the Child Insured starts, or during the first three months after the Children's Insurance starts or, if reinstated, the first three months after the Children's Insurance for the Child Insured is reinstated.

We will not pay for a Children's Insurance Benefit Amount if the Child Insured dies or is diagnosed with a Terminal Illness which becomes apparent before or during the first three months after the Children's Insurance starts or, if reinstated, the reinstatement date.

We will pay for any new and unrelated occurrence of Blindness, Deafness, Total and Permanent Loss of Use of One Limb, Encephalitis, Major Head Trauma, Meningitis, Paralysis, Benign Tumour of the Brain or of the Spinal Cord, Cancer, Severe Burns, Chronic Kidney Failure or Major Organ Transplant suffered by a Child Insured after this three month period, while the Child Insured is covered under the Policy.

When your Children's Insurance starts and ends

If your application for Children's Insurance is accepted by us, cover for the Child Insured starts on the Acceptance Date.

The Children's Insurance ends for a Child Insured when the first of the following occurs:

- the date of death of the Child Insured; or
- the date of payment of a Children's Insurance Benefit Amount for the Child Insured; or
- the date you die*; or
- the date on which we pay the Funeral Insurance Benefit Amount for the Key Life Insured*; or
- the date you cancel the Policy; or
- the date you take up the Early Cash Back Option on the Key Life Insured*; or

- the date we cancel the Policy; or
- the date you cancel this cover for the Child Insured; or
- the Policy Anniversary following the Child Insured's 21st birthday.

Events marked by an * indicate that although the Policy will end should that event occur, if there is a Partner Life Insured, the Children's Insurance can continue under a new policy issued to the Partner Life Insured – see the

When cover starts and ends section on page 15.

Premium

The premium you are required to pay when the Policy starts is shown in the Policy Schedule. The premium for each Life Insured is calculated at the Commencement Date and is based on the age of each Life Insured at that time and the Benefit Amount for each Life Insured. The premium must be paid in Australian currency.

Guarantee – We guarantee that:

- the premium you pay will never increase unless you add Children's Insurance after the Commencement Date; and
- the premium you pay will reduce by 5% after each continuous period of five years your Policy is in force.

You can pay your premium by automatic debit from your bank, credit union or building society account, or by credit card. Your premium will be debited on the date of your choice, either fortnightly, monthly or annually. You may apply at any time to change the method of payment of premiums by phoning **1800 004 005** (Monday to Friday between 8am and 8pm AEST).

If you are having difficulty making your premium payments please contact us and we will inform you of the options we can provide to assist you to retain your cover.

Making a Claim

If you (or your legal personal representative on your death) wish to claim under this Policy, please phone **1300 306 775** (Monday to Friday between 8am and 8pm AEST) or write to Australian Seniors Insurance Agency, PO Box 6728 Baulkham Hills NSW 2153. You will be sent a form to be completed, signed and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense.

Claims should be made as soon as possible after the event giving rise to the claim. If you do not notify us within 120 days after the event giving rise to the claim, and we are disadvantaged by the delay, we may be able to reduce the amount we would otherwise pay, or we may be able to refuse to pay the claim.

Before a claim can be fully assessed we must receive proof, provided at your (or your estate's) expense and to our satisfaction, that the insured event has occurred. In addition:

- proof must be supported by one or more appropriate Medical Practitioners; and
- all relevant information, including any test, examination, or laboratory results, must be provided to us.

We reserve the right to require the Life Insured to undergo, at our expense, examinations or other reasonable tests (including, where necessary, a post-mortem examination) to confirm the occurrence of an insured event. In addition we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

Benefit Payments

Unless a valid Benefit Nomination (explained below) applies, we make all benefit payments to you, or on your death:

- under a single plan, to your legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995; or
- under a joint plan, to your surviving Partner Life Insured.

Benefits will be paid in Australian currency.

Benefit Nominations

You can nominate beneficiaries to receive payment of the Funeral Insurance Benefit Amount (and, any Accidental Death Benefit Amount) on your death. To make a nomination, you need to complete a Nomination of Beneficiaries Form (available from seniors.com.au) and return it to Australian Seniors Insurance Agency. (For convenience, a Nomination of Beneficiaries form is included on page 25).

All the following conditions apply to nominations:

- there must not be more than five nominees;
- nominations must be of a natural person;
- you must advise Australian Seniors Insurance Agency of your nominations;
- you may vary the nomination at any time by properly completing and signing a new Nomination of Beneficiaries Form and returning it to Australian Seniors Insurance Agency. The variation takes effect when it is received by Australian Seniors Insurance Agency;
- payment of benefits will be made on the basis of the latest valid nomination received by Australian Seniors Insurance Agency;

- if a nominee is a minor when payment is made, the payment will be made to the minor's legal guardian or trust for the benefit of the minor; and
- if a nominee pre-deceases you, that nominee's share is payable to your legal personal representative, or other person that we are permitted to pay under the Life Insurance Act 1995.

The payment of the benefit in accordance with the above in respect of a Life Insured is full and final discharge of our liability under the Policy for that benefit.

Changing your Insurance

You can phone us on **1800 004 005** (Monday to Friday between 8am and 8pm AEST) to discuss changing your insurance cover. You may need to confirm in writing if you wish to:

- add a Child Insured to the Policy and/or remove a Child Insured from the Policy.

Any change, and the terms and conditions relating to the change, are subject to our approval and written confirmation by us.

- the Commencement Date to decide whether you want to keep the Policy, or
- the date a Children's Insurance Option starts to decide whether you want to keep the optional benefit,

provided you have not made a claim under the Policy. This is known as the "cooling-off" period.

If you wish to cancel your Policy and/or optional benefits within the cooling-off period, please send a written request providing your instruction to cancel along with your full name and policy number to
