Your premium payment frequency options

Premiums for your Policy can be paid fortnightly, monthly, or annually.

What happens if I do not pay my premiums?

We will remind you if you have missed a payment, however, if you do not pay your premiums for more than one month, we will take the necessary steps to cancel your Policy.

Is there a cooling-off period?

If you cancel your Policy within the first 30 days from the Commencement Date and you have not made a claim during this time, we will give you a full refund of any premiums you have paid within 15 business days.

## Part 2: Seniors Funeral Insurance Policy

### Introducing Seniors Funeral Insurance

Seniors Funeral Insurance offers a lump sum payment in the event of death by any cause which occurs, or Terminal Illness which is first diagnosed, at least 12 months after the Acceptance Date (or reinstatement date if the Policy is reinstated).

This Policy also includes an Accidental Serious Injury Benefit, and an Accidental Death Benefit. At any time after the Acceptance Date, a lump sum payment will be paid in the event of an Accidental Death or an Accidental Serious Injury. What you are not covered for is explained on page 13 of this PDS.

With Seniors Funeral Insurance, the Life Insured is protected 24 hours a day, 7 days a week, worldwide while the Policy is in force.

While the lump sum benefit is designed to assist with the cost of your funeral and other final expenses, the benefit may be used for any purpose. You can nominate beneficiaries to receive payment of the benefit payable on your death. How to make a nomination is explained on page 20 of this PDS.

This Funeral Insurance Policy does not provide any funeral, burial or cremation services.

After considering this PDS, you can apply for a Seniors Funeral Insurance Policy by calling us on **1800 004 005**.

### Your Policy

If your application is accepted by us, we will issue you a Policy Schedule. Your Policy consists of the Policy Schedule and:

- this PDS (which includes the terms and conditions applying under your Policy);
- the application(s); and
- any amendments or endorsements we issue to you.

Please keep these documents in a safe place for future reference.

Except as permitted under law, your Seniors Funeral Insurance Policy may not be transferred or assigned to another person unless in a circumstance explained under **'When cover ends'** on page 15 or **'Changing your Insurance'** on page 22 under a joint plan.

The Insurance provided under this Policy is written out of the Hannover Australian Statutory Fund.

---

## **Purchasing a Policy**

You can apply for a single plan on your own life (Key Life Insured), or you can apply for a joint plan to also include your spouse, partner, or de facto (Partner Life Insured).

A Life Insured must be an Australian Resident and between 40 and 79 years of age at the time cover commences.

You can also provide authority to another person to apply for cover on your behalf; you will be the Policyowner, however they may arrange for the payment of premiums.

---

## **What events are covered**

### **Funeral Insurance Benefit**

We pay the Benefit Amount if the Life Insured:

- dies from any cause, or is first diagnosed with a Terminal Illness, at least 12 months after the Acceptance Date or, if the Policy is reinstated after being cancelled, at least 12 months after the date on which this Policy is reinstated; or
- dies from an Accidental Death, where the Accident occurs while the Life Insured is covered under this Policy.

### **Accidental Serious Injury Benefit**

We pay the Accidental Serious Injury Benefit Amount if a Life Insured suffers one of the following conditions as the direct result of an Accident:

- Blindness in Both Eyes (severe and permanent, best corrected); or
- Deafness in Both Ears (profound and permanent, best corrected) – or requiring cochlear implant; or
- Paralysis (total and permanent) - specified including Diplegia, Hemiplegia, Paraplegia, and Quadriplegia/Tetraplegia; or
- Total and Permanent Loss of Use of Two Specified Limbs, where the Accident occurs while the Life Insured is covered under this Policy, the condition occurs within 12 months of that Accident, and before the Policy Anniversary following the Life Insured's 75<sup>th</sup> birthday.

The circumstances under which we will not pay the Benefit Amount are explained in '**What is not covered under your Policy**' on page 13.

---

---

**What is not covered under your Policy****Funeral Insurance Benefit**

To provide cover at a reasonable cost, Hannover must manage its insurance risk by excluding payment of a benefit in the circumstances explained below.

We will not pay a Funeral Insurance Benefit if a Life Insured dies from any cause other than an Accidental Death during the first 12 months of the Policy, from the Acceptance Date. This means that no benefit is payable if a Life Insured dies as a result of any other cause during this period. The same limitation applies within 12 months of the date on which the Policy is reinstated.

We will not pay a Terminal Illness Benefit if a Life Insured is first diagnosed with a Terminal Illness within 12 months of the Acceptance Date of the Policy, or within 12 months of the date on which this Policy is reinstated.

**Accidental Serious Injury Benefit**

We will not pay an Accidental Serious Injury Benefit if the Life Insured suffers any of the conditions covered under this benefit as a result of:

- an intentional self-inflicted bodily injury, suicide or attempted suicide; or
  - engaging in any criminal activities or illegal acts; or
  - the consumption of drugs (unless it was under the direction of a Medical Practitioner and not in connection with treatment for substance abuse, drug addiction or dependence); or
  - the consumption of intoxicating liquor, including having a blood alcohol content over the prescribed legal limit whilst driving; or
  - engaging in any professional sport (meaning the Life Insured's livelihood is substantially dependent on income received as a result of playing sport); or
  - engaging in any motor sports as a rider, driver and/or passenger; or
  - being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft; or
  - war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion.

<b>Benefit Amount</b>	<p>The Benefit Amount provided under your Policy will be shown in the Policy Schedule.</p> <p><b>Funeral Insurance Benefit</b></p> <p>You can apply for a Benefit Amount from \$3,000 up to a maximum of \$15,000.</p> <p><b>Accidental Death Benefit</b></p> <p>The Accidental Death Benefit is two times the Benefit Amount.</p> <p>If an Accidental Death Benefit is payable after the Life Insured's 85<sup>th</sup> birthday, Bonus Cover (explained on page 16) will also apply to the Accidental Death Benefit Amount.</p> <p>If a Life Insured dies as the result of an Accidental Death both the Accidental Death Benefit and the Benefit Amount are payable.</p> <p>For example: if the Benefit Amount is \$15,000, and you suffer an Accidental Death, a benefit of \$45,000 is payable – this includes a \$30,000 Accidental Death Benefit plus the \$15,000 Benefit Amount.</p> <p><b>Accidental Serious Injury Benefit</b></p> <p>The Accidental Serious Injury Benefit is three times the Benefit Amount (maximum of \$45,000).</p> <p>Only one Accidental Serious Injury Benefit is payable per Life Insured. A successful claim under the Accidental Serious Injury Benefit will not reduce the Benefit Amount.</p>
-----------------------	--

<b>Maximum Benefit Limits</b>	<p>To enable the insurer to manage the insurance risk on any one Life Insured, it is necessary to set a maximum limit on the cover provided for a Life Insured under all Seniors Funeral Insurance policies.</p> <p>The maximum Benefit Amount for a Life Insured is \$15,000. This means that if you apply for the maximum Benefit Amount, then:</p> <ul style="list-style-type: none"><li>■ Accidental Death Benefit is \$30,000, being two times the Benefit Amount</li><li>■ Accidental Serious Injury Benefit is \$45,000, being three times the Benefit Amount</li></ul> <p>Entitlement to Bonus Cover (explained on page 16) is in addition to the Funeral Insurance Benefit and will not affect the maximum benefit limit.</p> <p>If the Life Insured is covered under more than one Seniors Funeral Insurance Policy, we will apply the maximum benefit limits above to the total of the benefits payable for the Life Insured under all Seniors Funeral Insurance policies.</p> <p>If you have exceeded the maximum benefit limit, we will reduce the Benefit Amount to bring it back in line with the maximum benefit limit. Any reduction in the Benefit Amount will be applied to the Seniors Funeral Insurance Policy or policies most recently commenced, and we will refund the premiums paid referable to the amount by which the Benefit Amount is reduced.</p> <p>We will make reasonable attempts to contact you prior to making any reduction. If we are unable to reach you, we will:</p> <ul style="list-style-type: none"><li>■ proceed with the reduction and provide a refund of premium if required as described above; and</li><li>■ send you an updated Policy Schedule reflecting the adjustments to the Policy.</li></ul> <p>If the Funeral Insurance Benefit Amount once adjusted still does not comply with the maximum or minimum limit available on the Policy, we reserve the right to cancel the Policy from inception and treat it as though it never existed. We will notify you of the cancellation in writing.</p>
-------------------------------	---

---

**When cover starts** If your application for Seniors Funeral Insurance is accepted by us, then cover starts on the Acceptance Date set out in the Policy Schedule. Your first premium is deducted from the Commencement Date, which is also set out in the Policy Schedule.

We guarantee to continue your Policy until your cover ends explained in **'When cover ends'** provided you pay your premiums when due.

---

**When cover ends      Funeral Insurance Benefit**

Cover under the Funeral Insurance Benefit for a Life Insured ends on the earliest of any of the following events:

- the date of their death; or
- on their 100<sup>th</sup> Birthday; or
- the date you elect to take up the Early Cash Out Option (explained on page 17) for that Life Insured; or
- the date of a Terminal Illness payment; or
- the date you cancel the Policy; or
- the date we cancel the Policy.

**Accidental Serious Injury Benefit**

Cover under the Accidental Serious Injury Benefit for a Life Insured ends on the earliest of any of the following events:

- the date the Funeral Insurance Benefit ends; or
- the date of payment of an Accidental Serious Injury Benefit Amount; or
- the Policy Anniversary following their 75<sup>th</sup> birthday.

**Joint plan**

Where cover ends for the Key Life Insured, if there is a Partner Life Insured who wishes to retain their cover, the Benefit Amount for the Partner Life Insured can continue (provided we receive payment of the next due premium).

The Policy will be issued to the Partner Life Insured in their name as the Policyowner, issued as a single plan under the same terms as this Policy and takes effect subject to payment of the next due premium.

---

# Additional benefits from age 85

## Bonus Cover

From a Life Insured's 85<sup>th</sup> birthday, we will automatically add 25% Bonus Cover to the Benefit Amount in force immediately prior to their 85<sup>th</sup> birthday.

No additional premiums will be charged for Bonus Cover.

Where Bonus Cover applies, if a claimable event under the Funeral Insurance Benefit occurs after the Life Insured's 85<sup>th</sup> birthday, or they celebrate their 100<sup>th</sup> birthday, we will pay both the Benefit Amount in force immediately prior to the 85<sup>th</sup> Birthday, and the Bonus Cover.

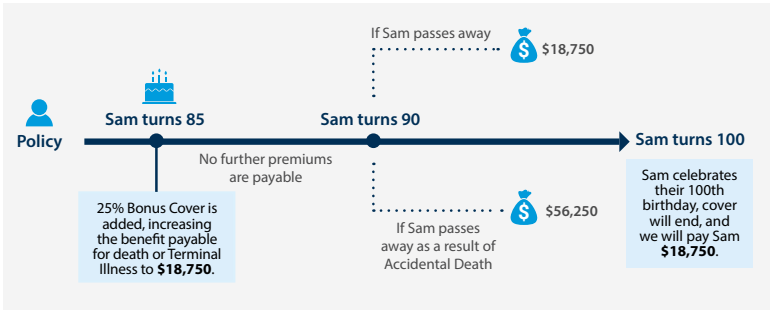

**Bonus Cover is not available where the Early Cash Out Option (explained on page 17) has been elected for that Life Insured.**

For example: Sam's Seniors Funeral Insurance Policy provided a Benefit Amount of \$15,000 immediately prior to their 85<sup>th</sup> birthday. From Sam's 85<sup>th</sup> birthday, premiums are no longer payable and Bonus Cover is automatically added to their Policy.

If Sam dies at the age of 90:

- we will pay \$18,750 – this includes the Benefit Amount in force immediately prior to Sam's 85<sup>th</sup> birthday (\$15,000), plus the 25% Bonus Cover (\$3,750); or
- as a result of an Accidental Death, we will pay \$56,250 – this includes:
  - the Benefit Amount (\$15,000) plus the Bonus Cover (\$3,750) which is a total of \$18,750 as described above; and
  - the Accidental Death Benefit Amount, which is two times the Benefit Amount plus the 25% Bonus Cover (\$37,500).

If Sam celebrates their 100<sup>th</sup> birthday, we will pay \$18,750.

**Early Cash Out Option**

At any time after a Life Insured's 85<sup>th</sup> birthday, the Key Life Insured may elect the Early Cash Out Option and end cover for that Life Insured. If the Key Life Insured elects this option, we will pay the Key Life Insured 75% of that Life Insured's Benefit Amount in force immediately prior to that Life Insured's 85<sup>th</sup> birthday.

If you have a single plan, and you elect this option, your Policy will end.

If you have a joint plan, and you terminate your cover under this option, but not your Partner Life Insured's cover, your Policy will remain in force, and we will continue to provide cover for your Partner Life Insured.

**Risks associated with electing the Early Cash Out Option**

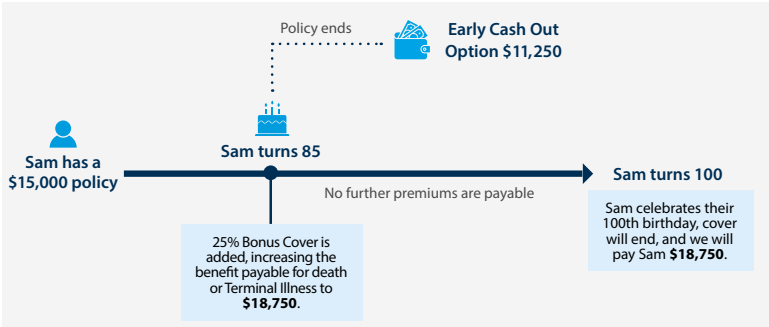

Before you elect the Early Cash Out Option, you should consider the benefits otherwise available under your Policy at that time and the risks that may apply in making this decision, including:

- the amount available upon death will exceed 75% of the Benefit Amount at the time you make your election.

For example: Sam's Benefit Amount was \$15,000 immediately prior to Sam's 85<sup>th</sup> birthday. From Sam's 85<sup>th</sup> birthday, premiums are no longer payable and the Early Cash Out Option is available.

If Sam elects to take the Early Cash Out Option, we will pay \$11,250. However, if Sam decides not to elect for the Early Cash Out Option, Sam's beneficiary will be eligible to claim \$18,750 – being the Benefit Amount (\$15,000), plus the 25% Bonus Cover (\$3,750) – on death, or Sam will be eligible to claim \$18,750 for diagnosis of a Terminal Illness, or if Sam celebrates their 100<sup>th</sup> birthday.

You can call us on **1800 004 005** to find out the amount payable on your death, or on the death of the Partner Life Insured.

# Cost of Seniors Funeral Insurance

<b>How we calculate your premiums</b>	<p>Premiums are the cost of your Insurance.</p> <p>Your premiums are designed to stay the same year on year, but will change if you apply to change your cover, or we change the premium rates for your Policy (see the section on Premium rate changes below).</p> <p>Your premium is determined at the Commencement Date and is based on the Life Insured's:</p> <ul style="list-style-type: none"><li>■ age at the Commencement Date;</li><li>■ chosen Benefit Amount; and</li><li>■ Insurance Plan chosen (single or joint plan).</li></ul> <p>When a Life Insured reaches age 85, and the Policy is still in force, cover for that Life Insured will continue, and premiums for that Life Insured are no longer payable. If you have a joint plan and your Partner Life Insured is aged less than 85, premiums for your Partner Life Insured are still payable, until they reach age 85.</p>
<b>Payment methods, frequency and due date</b>	<p>The premium must be paid in Australian dollars.</p> <p>You can pay your premium by automatic debit from your bank, credit union or building society account, or by credit card.</p> <p>Your premium will be debited on the agreed date you have chosen, either fortnightly, monthly or annually.</p> <p>You may apply at any time to change the method of payment of premiums by calling us on <b>1800 004 005</b>.</p> <p>If you are having difficulty making your premium payments, please contact us and we will inform you of the options we can provide to assist you to retain your cover.</p>
<b>Premium rate changes</b>	<p>We may increase the premium rates applying to your Policy, but only if we change the premium rate applying to all (or the same group of) Seniors Funeral Insurance Policyowners/Partner Life Insured. We will send written notice of any change to you (to your last address notified to us) at least 90 days before the effective date of the change.</p>
<b>Tax</b>	<p>In most cases your premium will not be tax deductible and tax will not be payable on any Benefit Amount paid under your Policy.</p> <p>This information is based on continuance of present tax laws and our interpretation of those laws. Your individual situation may differ, and you should seek qualified professional advice in relation to your particular circumstances.</p>

# Claims

## Making a claim

If you (or your beneficiary or your legal personal representative on your death) wish to claim under this Policy, please contact us by using one of the following:

**Phone:** 1300 306 775

**Email:** [claims@seniors.com.au](mailto:claims@seniors.com.au)

**Mail:** Australian Seniors  
Reply Paid 6728  
Baulkham Hills NSW 2153

You will be sent a form to be completed, signed and returned. We may also require your treating doctor or specialist to complete a form at your (or your estate's) expense. The Policy and the Insurance for the benefit must be in force when the insured event occurs for a claim to be eligible under the Insurance provided.

Claims should be made as soon as possible after the event giving rise to the claim. We encourage you to lodge your claim within 120 days of the insured event, as this will assist in reducing any delays within the claim assessment.

Before a claim can be fully assessed, we must receive proof, provided at your (or your estate's) expense. This proof must be to our reasonable satisfaction, that the insured event has occurred. In addition, in some cases it will be necessary for us to obtain:

- proof to be supported by one or more appropriate Medical Practitioners (where relevant in the case of an Accident) as indicated in the '**Definitions**' on page 26; and
- all relevant information, including any test, examination, or laboratory results, to be provided to us.

To enable us to determine if a claim is payable under the terms of your Policy, we may require the Life Insured to undergo (at our expense) examinations or other reasonable tests, and where necessary, a post-mortem examination. These may be needed to confirm the occurrence of an insured event. In addition, we may conduct investigations to assess the validity of the claim. This could involve the use of investigation agents and surveillance, legal advisers and the collection of personal data.

## Benefit payments

Unless a valid beneficiary Nomination (explained below) applies, we make all benefit payments to you, or on your death:

- under a single plan, to your legal personal representative, or other person that we are permitted to pay under the *Life Insurance Act 1995* (the Act); or
- under a joint plan, to your surviving Partner Life Insured.

Benefits will be paid in Australian dollars.

# General information

## Your 30-day money back guarantee

You have 30 days from the Commencement Date to decide whether you want to keep the Policy, provided you have not made a claim under the Policy. This is known as the 'cooling-off' period.

If you wish to cancel your Policy within the cooling-off period, please either send a written request providing your instruction to cancel along with your full name and Policy number to one of the following:

**Mail:** Australian Seniors  
Reply Paid 6728  
Baulkham Hills NSW 2153

**Email:** [service@seniors.com.au](mailto:service@seniors.com.au)

Or alternatively you can call us on **1800 004 005**.

Provided your request is received within the prescribed time, we will refund any premiums you have paid within 15 business days unless you have lodged a claim with us in that time.

## Insurance risks

In considering whether to buy Seniors Funeral Insurance, there are a number of insurance risks you should be aware of, including:

- you need to select the type of insurance benefit and apply for the appropriate level of cover for your needs. If you do not have the appropriate type and level of cover, it might cause you or your family to suffer financial hardship even after receiving payment of the benefit payment;
- if you are replacing a contract or policy with another contract or policy, you should consider all the terms and conditions of each policy before making a decision to change. Your new cover may not provide the same level or scope of cover and you may need to re-serve waiting periods. Your new cover may not provide the required protection if you make any errors or omissions in your new application;
- before cancelling any existing policy, you should check that you have been issued with a new policy, otherwise you risk being uninsured;
- over time, your circumstances may change and you may find that you are less able to afford to pay the premium;
- it is possible that you will pay more in total premiums than the value of the cover, depending on how long you hold cover for;
- the amount of cover may not adequately cover the Life Insured if they suffer illness or injury; and
- we may not pay a benefit in some circumstances (refer to the information for '**What is not covered under your Policy**' on page 13) because an exclusion applies under your Policy.

Seniors Funeral Insurance is an insurance policy designed purely for protection and is not a savings plan. This means that, unless the Early Cash Out Option applies (explained on page 17) if you cancel your Policy (after the 30-day cooling-off period), or we cancel your Policy, you will not receive anything back. You will also not be able to make a claim for an event arising after the date your Policy is cancelled.

---

## Changing your Insurance

Once your Policy has been accepted by us, you can request the following changes to your Policy:

- update your personal details;
- decrease a Life Insured's Benefit Amount;
- change from a joint plan to a single plan; or
- under a joint plan, transfer ownership to your Partner Life Insured.

If this Policy is purchased as a single plan, this cannot be assigned to any other person or entity.

From the Acceptance Date of the Policy, the following changes cannot be made to your Policy:

- the addition of a Partner Life Insured
- increases to the Benefit Amount.

If you wish to discuss your Policy or make alterations to your Insurance, you can contact us on **1800 004 005**.

Any change, and the terms and conditions relating to the change, are subject to our approval and written confirmation by us.

---

## Cancelling your Policy

If your premium remains unpaid for more than one month from when it is due, your Policy will be cancelled. Prior to cancelling your Policy, we will provide a written notice to you setting out the premium payments that are overdue and the timeframe you have to rectify any overdue payments.

Within six months of the date that the Policy is cancelled by us, you can apply to reinstate cover, however your application will be subject to the eligibility requirements as at the date of your application, may require new terms and conditions, or your application to reinstate your Policy could be declined.

Insurance for a Life Insured will be cancelled if the Life Insured is on a temporary work visa and ceases to reside in Australia.

You must tell us if the Life Insured is on a temporary work visa and ceases to reside in Australia.

If the Funeral Insurance Benefit Amount does not comply with the maximum or minimum benefit limits available on the Policy, we reserve the right to cancel the Policy from inception, refund any premiums paid and treat it as if it never existed, as outlined in '**Maximum Benefit Limits**' section on page 14.

If you wish to discuss or cancel your Policy, please send a written request providing your instruction to cancel along with your full name and Policy number to:

**Mail:** Australian Seniors  
Reply Paid 6728  
Baulkham Hills NSW 2153

**Email:** [service@seniors.com.au](mailto:service@seniors.com.au)

Or alternatively you can call us on **1800 004 005**.

Upon receiving your written request to cancel, we will cancel your Policy. Where you have paid your premium on an annual basis, we will refund the annual premium less the amount which covered the period for which you were insured.

# Your duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is an answer that is false, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, reinstating insurance and when you authorise others to apply for cover on your behalf.

## If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your Insurance. Your Policy could be voided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

## Guidance for answering our questions

You are responsible for the information provided to us. When answering our questions, please:

- think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond;
- answer every question;
- answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it; and
- review your application carefully, whether you or someone else helped you complete your application (for example, your interpreter or authorised third party), and any other documentation we provide you that was used in the assessment of your application.

## Changes before your cover starts

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

## If you need help

It is important that you understand this information and the questions we ask. Ask us for help if you have difficulty understanding the process of buying insurance or answering our questions.

If you are having difficulty due to a disability, understanding English or for any other reason, we are here to help and can provide additional support for anyone who might need it. If you want, you can have a support person you trust with you while speaking with us.
